SKILLS & RESOURCES CONSULTANCY takes pride that we have been in the business of providing foreign domestic workers (Filipinas, Indonesian, Sri Lankans and Myanmar) to Singapore families since 1986.

With our **23 years experience** in the Maid industry, you can be assured that we will provide you with the 'best fit' maid for your family's requirements, as well as our reliable service. We also ensure that we are fair to both our clients (employers) and the maids who have travelled far to seek a better future for themselves and their families.

All our domestic helpers are given good orientation to help equip them well for the demands of their jobs in Singapore.

We assure you of our best service, in the same manner that so many of our clients and maids had experienced in the past 23years!
